

INTERNATIONAL MINING MEETING (INTERMIN) THE REQUIRED SKILLS FOR THE MINING DEVELOPMENT IN THE 21TH CENTURY

GUAYAQUIL - ECUADOR

STEM Building

Campus Gustavo Galindo, Km 30.5 vía Perimetral

22th
OCTOBER 2019
8h00 - 17h30

International Network of Raw Materials Trainings (INTERMIN)

INTERMIN is an international network integrated by educational, research and training institutions in the European Union, and also the main counterparts from other countries.

The network objective is to improve the required knowledge and skills for the development of the raw materials sector (exploration, extraction, processing and recycling), identifying knowledge gaps and the training demand required by mining companies.
